SPRAY affected area with solution, using bleach rated sprayer

WAIT a few seconds as mold stains disappear

RMR-86 PRO was developed by restoration professionals to effectively eliminate mold and mildew stains resulting from floods and natural disasters. This advanced formula has revolutionized the remediation process by rapidly dissolving these persistent stains without the need for sanding or scrubbing, thereby saving valuable time and resources on ineffective labor and products

Amazon Rating: 4.5/5 ★★★★★

“I used yellow pine for framing which seemed to quickly turn black from moisture during construction. Especially bottom plates and corners. Sprayed this stuff on and looked like it was never exposed to water or the weather.”

“A little goes a long way and withing a few minutes you will see immediate results. So glad i ran into this scrolling on Amazon and took a chance!! Worth every penny!!”
