

RMR-Neutralizer CHLORINE ODOR ELIMINATOR

SELL SHEET

RMR-Neutralizer Chlorine Odor Eliminator is an ideal complement to RMR-86 & RMR-86 PRO. This solution promptly eliminates potent chlorine odors and fumes, resulting in a refreshed and neutralized environment. Additionally, it can be utilized to prevent corrosion on chlorine and bleach-based cleaning sprayers. After each use, simply flush the system with RMR Neutralizer to inhibit corrosion.

No rinse required

Multi-surface deodorizer

Creates a healthier space for clients

Spray over top of RMR-86 & RMR-86 PRO

CONCENTRATED FORMULA

RESIDUE FREE

300 SQ. FT. PER GALLON

SAY GOOD-BYE TO HARSH CHEMICALS

How To Use:

DIRECTIONS FOR USE

Mix 1 pouch with 1 gallon of warm water until completely mixed.
Treats up to 300 sqft.

RMR-Neutralizer Chlorine Odor eliminator is a fast-acting and user-friendly solution. Simply mix it with water for immediate odor elimination. This product is also environmentally friendly. Prevent the absorption of harmful bleach and chlorine-based chemicals into the soil and protect foliage by spraying the soil/foliage before or immediately after use.

Amazon Rating: 5/5 

“The neutralizer really changes things, it almost completely removes the Odor and the toxicity. The biggest problem with rmr is the smell left behind, this is the solution to that problem.”

“After treating a 1300 sf crawl with rmr 86, we applied the odor reducer and it worked extremely well. Very surprised and pleased.”
